Tex-Hill Golf Updates

Basketball and Golf Coach**

**1. TOURNAMENT GOLFERS** - Tex-Hill can send a maximum of 10 golfers to each tournament:

- Five who compete as the **Tex-Hill Team** and as **Medalist**
- Five who compete as **Medalist**

The **Tex-Hill Team** consists of the top 5 performing players from each grade level and gender. These players' scores are used to calculate the Tex-Hill Team Score at the District Tournament, which determines the District Champions. Earning the designation of **Tex-Hill Team** means these individuals may walk away for the District Tournament with additional medals or awards.

**Medalist** golfers are full participants in the tournament, but they are only playing for individual titles. Their scores have no bearing on the calculation of the team score. A medalist golfer could win the tournament but not have their score used in calculating their school's team score.

Players will be given opportunities to earn the designation as the Tex-Hill Team at practice, team competitions, and qualifying rounds. The Coach will have the final say in who is designated as The Tex-Hill Team.

**2. Practice** times and locations- Please See Attached Calendar

**3. Calendar**- The official calendar will be given out at the parent meeting and posted on the Tex-Hill Athletics Website.

**4. Weather**- Because weather is unpredictable, practice cancellations do occur. If the weather looks poor or threatening, please be patient. A final decision about practice will be made by 1:30 each day. I post that decision on **Remind 101**, I will also inform the front office as well so an announcement can be made.

**5. Attire**- Players must wear appropriate golf attire to all off campus locations. Boy's please dress in cargo/golf shorts and a polo shirt with a collar. Please no athletic shorts and t-shirts. Ladies- shorts, pants, or skirt, or skorts, that are school appropriate and a shirt or polo- no collar requirement.

**6. Contact**- Please don't hesitate to email me with questions or for details, email is best: **troche1@neisd.net**

## ELIGIBILITY

Only students in good standing academically and behaviorally will be permitted to participate.

In addition, because of the nature of our sport, golfers will often find themselves in practice or in tournaments a short distance from an immediate supervisor. Any misbehavior, irresponsibility, or substantial breach of etiquette is unacceptable! Whether it is on campus, at a practice facility, or on the course, acting as a poor sportsman or a poor representative of Tex-Hill Middle School may also result in disqualification. First infractions will be discussed

with player and parents. Two similar infractions or any single significant infraction may result in disqualification from team activities.

## **ATTENDANCE & PRACTICES**

While we understand that conflicts and emergencies sometimes occur, students who wish to be on the team will attend practice consistently and have dependable transportation. I will work with your students schedule and around other interests. Golfers carpooling to and from practices is encouraged. Students may also leave their clubs with Coach Rocheleau in the coach's office if they are planning to carpool with another student. Please just understand that I can only evaluate performances I see. When scores are close in qualifying rounds I will always go back to the body of work over the season that the golfer has put together.
